

OIE OBSERVATORY

STRENGTHENING THE IMPLEMENTATION OF OIE STANDARDS BY MEMBER COUNTRIES

OIE STANDARDS aim to improve animal health and welfare as well as veterinary public health worldwide

..... FOR BOTH TERRESTRIAL AND AQUATIC ANIMALS

OIE INTERNATIONAL STANDARDS are

Science-based

Adopted by all 181 OIE Members

Recognised as reference by the World Trade Organization (WTO)

OIE DELEGATES PLAY A KEY ROLE IN ENSURING IMPLEMENTATION THROUGH PROMOTING :

Veterinary Services
Good governance

Veterinary Legislation
Good regulatory practices
Harmonisation

Official disease status
Transparency

Public-Private Partnerships

Participation in OIE standard-setting procedure
Engagement - Inclusiveness

SUCCESS FACTORS

TO ADDRESS CHALLENGES FACED BY OIE MEMBERS, THE OIE OBSERVATORY WILL PROVIDE

a better understanding of the level of implementation by countries...

through:

- Monitoring progress
- Evaluating challenges

... contributing to the on-going improvement

of:

- The standard-setting process
- OIE capacity-building activities
PVS Pathway - Seminars & Workshops
- Informal mediation among OIE Members on trade issues

BE PART OF THE OBSERVATORY PROJECT!

COMPLETE THE QUESTIONNAIRE: TECHNICAL ITEM I

86th OIE General Session

"Implementation of OIE Standards by Members, State of play and specific capacity-building needs"
