

Follow-up report No.3

Report reference: AIV 2016/02, Reference OIE : 22393, Report Date : 17/01/2017, Country : United Kingdom

Report Summary

Name of sender of the report	Dr Nigel Gibbens	Telephone	+442072386495
Position	Chief Veterinary Officer	Fax	+442072385875
Address	Food and Farming Group Area 5B, Nobel House 17 Smith Square	Email	nigel.gibbens@defra.gsi.gov.uk
	LONDON SW1P 3JR	Date submitted to OIE	18/01/2017

Animal type	Terrestrial	Date of report	17/01/2017
Disease	Highly pathogenic avian influenza	Date of start of the event	11/12/2016
Causal Agent	Highly pathogenic avian influenza virus	Date of confirmation of the event	16/12/2016
Serotype(s)	H5N8	Date of last occurrence	17/07/2015
Reason	Reoccurrence of a listed disease	Diagnosis	Clinical
Country or zone	a zone or compartment	Clinical signs	Yes
Number of reported outbreaks	submitted= 17, Draft= 0		

Outbreak details

County	Number of outbreaks	Province	District	Unit Type	Location	Latitude	Longitude	Start Date	End Date:
ENGLAND-other report - submitted	-	Lincolnshire	East Lindsey	Farm	Louth	53.4293	0.0603	11/12/2016	23/12/2016

Epidemiology

Epidemiological comments

Epidemiological comments	
Source of the outbreak(s) or origin of infection	
<ul style="list-style-type: none"> • Unknown or inconclusive <p>First Turkey flock (Louth - start date 11/12/2016): disease control programmes have been applied and primary cleansing and disinfection of the infected premises was completed on 30 December 2016. Investigations conducted so far on contact tracings and poultry holdings in the restriction zones have uncovered no evidence of further spread. All control measures set out in the immediate notification have been applied. Epidemiological investigations are ongoing. Updates will be provided in weekly reports if further information becomes available.</p> <p>Second Turkey flock (Louth - start date 15/01/2017): disposal and culling have started on site; 3km and 10km zones have been put in place. Epidemiological investigations are on-going. No trade to international partners.</p> <p>Backyard cases in Settle and Llanelli: all control measures set out in the immediate notification have been applied including restriction zones. Epidemiological investigations are ongoing. Updates will be provided in weekly reports if further information becomes available.</p> <p>Wild bird cases: only one case (Abbotsbury) is continuing. Epidemiological investigations are ongoing. Updates will be provided in weekly reports if further information becomes available.</p>
