Follow-up report No.1

Report Summary
Name of sender of the report Dr Per Starcke Henriksen
Position Chief Veterinary Officer
Address Stationsparken 31-33 Glostrup DK 2600
Date submitted to OIE 26/03/2018

Animal type Terrestrial
Date of report 26/03/2018

Disease Highly pathogenic influenza A viruses (infection with) (non-poultry including wild birds)
Date of start of the event 13/02/2018

Causal Agent Highly pathogenic influenza A virus
Date of confirmation of the event 01/03/2018

Serotype(s) H5N6
Date of last occurrence 19/04/2017

Reason Recurrence of a listed disease
Diagnosis Laboratory (advanced)

Country or zone the whole country

Number of outbreaks submitted= 5, Draft= 0
