OIE GLOBAL ANIMAL
WELFARE STRATEGY

OIE Global Animal Welfare Strategy

Dr Leopoldo Stuardo – Escobar
Charge de mission – Animal Welfare
Standards Department
l.stuardo@oie.int

VISION

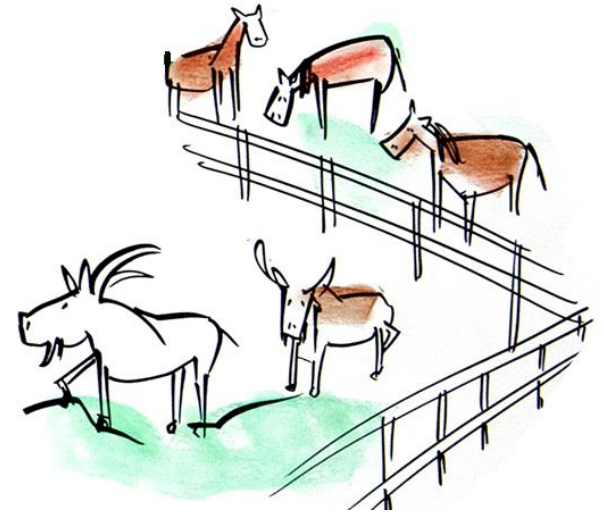

The OIE Global Animal Welfare Strategy was created with the following vision:

A world where the welfare of animals is respected, promoted and advanced, in ways that complement the pursuit of animal health, human well-being, socio-economic development and environmental sustainability.

OIE GLOBAL ANIMAL WELFARE STRATEGY

FOUR PILLARS

- Development of animal welfare standards
- Capacity building and education
- Communication with governments, organizations, veterinary services, educational institutions and the public
- Implementation of animal welfare standards and policies

public

ACTIVITIES

To support the elements outlined in the pillars, future activities will continue with the aim of delivering improved animal welfare outcomes through the implementation of this Strategy.

ACTIVITIES (CONTD.)

Establishment of a forum

Development and implementation of science-based animal welfare standards

Encouraging and supporting the ongoing development, evolution and implementation of Regional Animal Welfare Strategies (RAWS)

ACTIVITIES (CONTD.)

strengthening of National Veterinary Services through capacity building activities;

Broadening the horizons and strengthening relationships between animal welfare science and other areas of sciences.
