Rabies: Vaccinate your dog

Dog bites cause 95% of human rabies cases

Once the symptoms have appeared, rabies is 100% lethal

In 2/3 of countries worldwide, rabies still kills...

>59,000 people per year
1 person every 9 minutes
mostly children

What do we need to eliminate rabies?

- Good quality dog vaccines
- Mass dog vaccination campaigns in at-risk areas
- Stray dog population control
- Well-informed dog owners & populations
